

Internship Opportunity: Innovation & Technology Scouting Intern

We are looking for an interdisciplinary thinker at the intersection of science and business.

Position: Innovation & Technology Scouting Intern

- Company / Team: BioVendor Group – CTO Division
- Location: On-site (Brno, Czech Republic)
- Workload: Part-time (approx. 16-20 hours/week, flexible)
- Duration: 6–8 weeks (upon agreement)
- Start Date: Upon agreement

BioVendor Group is an international biotechnology company focused on the development, manufacturing, and commercialization of in vitro diagnostic (IVD) products.

The CTO Division plays a key strategic role in identifying and evaluating new technologies, biomarkers, and innovation opportunities across the group.

We collaborate with academic institutions, biotech companies, and innovation networks across Europe.
